

# CONTENTS

<b>SUMMARY</b> .....	1
<b>OPENING (Session I)</b>	
Opening Address .....	9
<i>K. Hirose</i>	
Opening Address .....	13
<i>K. Ishigure</i>	
Keynote Address .....	17
<i>T. Taniguchi</i>	
Keynote Address .....	27
<i>T. Tanaka</i>	
<b>DISPOSAL SAFETY – INTERNATIONAL AND NATIONAL PERSPECTIVES (Session II)</b>	
<b>THE GLOBAL WASTE SAFETY REGIME (Session IIa)</b>	
The Joint Convention as a tool to promote and facilitate the safety of spent fuel and radioactive waste management worldwide .....	33
<i>A.-C. Lacoste</i>	
The IAEA waste safety standards .....	39
<i>L. Baekelandt</i>	
Review of contributed papers .....	51
<i>K. Raj, A.V. Upadhyay</i>	
Panel .....	57
<b>NATIONAL STRATEGIES TO ENSURE THE SAFE DISPOSAL OF RADIOACTIVE WASTE (Session IIb)</b>	
A common framework for the management and disposal of radioactive waste .....	67
<i>D. Louvat, P.E. Metcalf, L. Jova Sed, J. Rowat</i>	
The French national plan for radioactive waste and recoverable material management .....	73
<i>P. Bodénez</i>	
Radioactive waste disposal in the United States of America .....	81
<i>M.V. Federline, R. Abu Eid, T. McCartin</i>	

SAPIERR – The idea of European regional repositories is taking shape. . . . .	93
<i>V. Štefula</i>	
Review of contributed papers . . . . .	103
<i>P. Lietava</i>	
Panel . . . . .	109

**THE SAFETY CASE AND CONFIDENCE BUILDING (Session IIc)**

The safety case for radioactive waste disposal facilities: A brief discussion of key issues . . . . .	121
<i>P. Zuidema</i>	
Confidence and confidence building in the context of radioactive waste disposal . . . . .	131
<i>C. Pescatore</i>	
Review of contributed papers . . . . .	143
<i>J.T. Greeves</i>	
Panel . . . . .	149

**THE SAFETY OF RADIOACTIVE WASTE DISPOSAL FACILITIES (Session III)**

**GEOLOGICAL DISPOSAL FACILITIES (Session IIIa)**

High level radioactive waste management: Research and development challenges for repository design and implementation. . . . .	167
<i>H. Ishikawa, H. Umeki, K. Miyahara</i>	
The siting of radioactive waste disposal facilities . . . . .	177
<i>H. Issler, J. Schneider, P. Zuidema</i>	
United States Department of Energy experience in creating and communicating the case for the safety of a potential Yucca Mountain repository . . . . .	187
<i>W.J. Boyle, A.E. Van Luik</i>	
Dossier 2005: Assessing the feasibility of a repository in clay . . . . .	207
<i>A. Grévoz</i>	
Demonstrating the safety of geological disposal facilities . . . . .	227
<i>E.J. Ruokola</i>	
Review of contributed papers . . . . .	235
<i>P. De Preter</i>	
Panel . . . . .	243

## **NEAR SURFACE DISPOSAL FACILITIES (Session IIIb)**

Design and development of near surface disposal facilities for radioactive waste .....	255
<i>P. Zuloaga</i>	
Demonstrating the safety of near surface disposal facilities. ....	263
<i>V. Nys</i>	
Demonstrating the safety of disposal facilities for mining and minerals processing waste .....	271
<i>W. Goldammer</i>	
Review of contributed papers .....	283
<i>L.W. Camper, R. Abu Eid</i>	
Panel .....	289

## **OPTIONS FOR INTERMEDIATE DEPTH DISPOSAL (Session IIIc)**

Disposal of radioactive waste at intermediate depth .....	303
<i>M. Jensen</i>	
The current status of the JNFL subsurface disposal plan for relatively high low level radioactive waste .....	311
<i>A. Yamato</i>	
Small diameter borehole disposal of disused sealed sources .....	321
<i>I.G. Crossland</i>	
The IAEA programme on assisting Member States with 'BOSS' borehole-type disposal facilities .....	331
<i>J.-M. Potier</i>	
Review of contributed papers .....	341
<i>C. Torres Vidal</i>	
Panel .....	351

## **REGULATORY CONTROL AND COMMUNICATION OF SAFETY ISSUES (Session IV)**

### **NEW FACILITIES, REASSESSMENT OF EXISTING FACILITIES AND DECISION MAKING ON UPGRADING SAFETY OF RADIOACTIVE WASTE DISPOSAL FACILITIES (Session IVa)**

Safety reassessment and decision making for existing waste disposal facilities. ....	365
<i>D. Bennett, D.G. Bennett, S. Duerden, I. Streatfield</i>	

Regulatory review of safety cases and safety assessments — associated challenges .....	375
<i>D.G. Bennett, M. Ben Belfadhel, P.E. Metcalf</i>	
Planning safety upgrading measures at the Püspökszilág near surface repository .....	389
<i>P. Ormai</i>	
Review of contributed papers .....	399
<i>A.A. Smetnik</i>	
Panel .....	403

### **COMMUNICATING THE SAFETY OF RADIOACTIVE WASTE DISPOSAL FACILITIES (Session IVb)**

Experience of the Republic of Korea in communicating the safety of radioactive waste disposal .....	415
<i>C.S. Kang</i>	
SKI's experience in communicating safety in the siting of a final repository for spent nuclear fuel .....	425
<i>J.P. Jonsson</i>	
Communicating the safety of radioactive waste disposal facilities: International and US experience .....	435
<i>J.P. Kotra</i>	
Canadian experience in communicating the safety of radioactive waste disposal .....	447
<i>F. King</i>	
Review of contributed papers .....	457
<i>P.F. Heilbron</i>	
Panel .....	467

### **CLOSING SESSION (Session V)**

Summary of Session IIa. ....	483
Summary of Session IIb .....	486
Summary of Session IIc. ....	489
Summary of Session IIIa. ....	491
Summary of Session IIIb. ....	494
Summary of Session IIIc. ....	497
Summary of Session IVa. ....	500
Summary of Session IVb. ....	503
Summary by the Conference President. ....	506

Closing Address . . . . .	511
<i>T. Taniguchi</i>	
Closing Address . . . . .	515
<i>S. Matsuura</i>	
Chairpersons of Sessions, President of the Conference, Secretariat of the Conference, Programme Committee, Organizing Committee in Japan . . . . .	517
List of Participants . . . . .	521
Author Index . . . . .	551
